

PRODUCT INFORMATION

Item Number	MGP-FL
Product Colour	Green/Black
Size Range	7-11
Primary Coating Polymer	Polyurethane
Grip	Polyurethane Coating
Cut Score	C

FEATURES

Colour: High visibility colour improves visual awareness even in subdued light

Fit: Close fitting with three open fingers for maximum dexterity and tactility

Cut Resistant: Achieves cut level C according to EN388, for protection in high risk cut hazard applications.

Tear & Puncture: Extremely durable and achieves excellent EN388 score for tear resistance

Closure: Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

Abrasion Resistant: Provides excellent durability under intense mechanical duress
Achieves a maximum score of Level 4 for abrasion resistance as defined by European Standard EN 388

Grip: Polyurethane palm coating provides outstanding abrasion resistance and an excellent grip

Primary Coating Polymer: Polyurethane

Fit: Soft seamless knitted liner provides superior comfort for this level of protection

SECTORS

Automotive • Construction & Utility • Engineering and Manufacturing • Warehousing, Transport and Logistics • Waste Management and Local authority

STANDARDS

4X43C
