

**PRODUCT INFORMATION**

<b>Item Number</b>	PHYC3
<b>Product Colour</b>	Orange/Black
<b>Size Range</b>	6-11
<b>Primary Coating Polymer</b>	Nitrile
<b>Grip</b>	Microfoam Nitrile
<b>Cut Score</b>	C

**FEATURES**

**Lining:** 18 gauge seamless knitted liner is ultra-lightweight, breathable and highly flexible, ensuring ultimate comfort at all times

**Unique Feature:** The Hydrophobic solution, which is applied through an intensive washing process, allows for a comprehensive and robust 3-Dimensional water resistant performance in wet and challenging conditions while maintaining maximum breathability

**Silicone Free:** The glove has been produced silicone free to eliminate silicone contamination whilst working in painting, bonding and product inspection processes within the engineering, manufacturing, and glass industries.

**Cut Resistant:** Achieves cut level C according to EN388, for protection in high risk cut hazard applications.

**Mechanical Hazards Protection:** Made from a technically engineered yarn, the liner attains excellent EN388 scores in all categories

**Flexibility:** Strategically designed to offer optimum levels of flexibility and comfort without compromising protection

**Closure:** Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

**Grip:** The palm coating is infused with microfoam bubbles increasing resistance to oils and maximising grip in wet and oily handling environments

**Primary Coating Polymer:** Nitrile

**FEATURES**

**Fit:** Soft seamless knitted liner provides superior comfort for this level of protection  
The glove has been designed to be tight fitting to give maximum dexterity in the most delicate of applications

**Abrasion Resistant:** Achieves a maximum score of Level 4 for abrasion resistance as defined by European Standard EN 388

**SECTORS**

Automotive • Construction & Utility • Engineering and Manufacturing • Oil, Gas & Renewables • Waste Management and Local authority

**STANDARDS**

4X43C

**CAUTION**

May contain latex in elasticated cuff which can cause allergic reactions, including anaphylactic response.

For further technical information, please contact Customer Services on 0333 320 8550 or the Technical team on 0333 320 8555

**STORAGE INSTRUCTIONS**

Store in dry conditions, away from direct sunlight and extreme heat. You are advised to retain the packaging for reference. Always inspect gloves prior to use and do not use if damaged or showing signs of wear.

**PACKING**

10 pairs per paper band  
60 pairs per case  
50 cases per pallet

**DISPOSAL INSTRUCTIONS**

Dispose of responsibly and in line with local guidance.
