

# 2023X

HexArmor®

Purpose-built to provide maximum grip in cold, tough situations, the Rig Lizard Arctic® 2023X brings you industry-leading durability, dexterity, and protection from the elements. A durable TP-X® palm with reinforced stitching provides superior wet/dry grip and abrasion resistance, while the back-of-hand features a high-flex IR-X® Impact Exoskeleton™ with level 2 protection on the knuckles and fingers. Inside, the H2X® waterproof liner and C40 Thinsulate™ interior liner keeps hands dry and warm. The 2023X offers added durability with a reinforced thumb saddle, index finger, and is complete with level A3 cut protection.
