SERIES

4022

HexArmor

Chrome Series® Our signature mechanic's style glove line that redefined cut protection, impact resistance, and dexterity in the safety industry.

The Chrome Series® 4022 features an interior layer of SuperFabric® brand material on the palm combined with an exterior knuckle patch to deliver outstanding cut, puncture, and abrasion protection where you need it most. The glove's durable, unique synthetic leather palm includes a PVC print to maintain excellent grip in dry and light oil situations and is complete with touchscreen capabilities, making it one of the safest mechanic's style gloves on the market.
